

TASKS

Admin Hospital - Ebizzinfotech

- ☐ #1 Visual explanation 8 Easy Modification
<https://youtu.be/8YqDkW6Mkwo>
- ☐ #2 Add a photo to their profile
In "Profile Settings", users will be able to add a photo to their profile, though this will be optional, To be able to see that photo, users will only have to click on the name of the user they want to see
- ☐ #3 Screen flash notificacion
When you receive a service request order, the screen will flash on the color black and white for 5 minutes or until the user presses the screen
- ☐ #4 In the "Petition History" button where the time is displayed, please also add the date.
- ☐ #5 In the "Request status" button where the time appears, add the date as well
- ☐ #6 Single login by account or user
Each user or account can only be active on one device at a time. If you log in to another device with your account, you will be disconnected from the previous one.
- ☐ #7 Overtime tab, add a numeric counter
In the "Overtime" tab, add a numeric counter (like the one you added to "Petition History") to know the number of available overtime hours pending to be granted.
- ☐ #8 Repetition prevention message
Any request for a service that repeats within a 15-minute interval will display an alert message asking: "Are you sure you want that service? It was requested less than 15 minutes ago and you will be able to choose to continue or cancel."
- ☐ #9 Selection of Notification still pending from Face # 1
<https://youtu.be/-n2drezjr3M>
- ☐ #10 Tracking Screen After A Request
<https://youtu.be/LdUBrPGHXQ4>
- ☐ #11 Who Received The Request
<https://youtu.be/pqtpWARGvT4>
- ☐ #12 Who Completed The Assignment
<https://youtu.be/1r-1VIfINNE>
- ☐ #13 Screen Preview Of Service
<https://youtu.be/fhbCmreMSW8>
- ☐ #14 Timer to Schedule Tasks
<https://youtu.be/MEbmm75GZTE>

- ☐ **#15 Add User Name in Petition History**
<https://youtu.be/ZRBjMAzPBd8>
- ☐ **#16 Export statistic**
Add a button within "Request Status" and "Petition History" so that super users can export and email requests and requests from the last 45 days in Excel, Word and PDF formats.
- ☐ **#17 Users will be able to see the name of the user**
Users will be able to see the name of the user who requested or who performed the task and If I click on their name, I will be able to see their profile photo.
- ☐ **#18 What user made the cancer of request**
Any request can be canceled (although it will still be visible in the history) but it will ask for the user number and password. To be able to see the name of the person who canceled the request and, if I click on their name, I will be able to see their profile photo.
- ☐ **#19 Uppercase and Special characters**
The app allows me to type in uppercase, but then it changes it to lowercase, and it also doesn't let me use special characters. Please, fix this.
- ☐ **#20 All Notification**
<https://youtu.be/MY8M8ygKT9k>
- ☐ **#21 In the admin panel, I can't type #, numbers, or special characters.**
In the admin panel, when I create a unit or service, I can't type #, numbers, or special characters. Please, fix this.
- ☐ **#22 Option to customize or rearrange the units and services**
I want each user to be able to have the option to customize or rearrange the units and services to their liking, but if that is too difficult another option could be for the units and services to be automatically rearranged on each device depending on how often they are used.
- ☐ **#23 Create a presentation web page**
Create a presentation web page. I will provide you with the information and you will organize it in an attractive and simple way. However, you should have the option to allow me to add links to YouTube videos so that they are displayed on the web. This must be available in English and Spanish.
- ☐ **#24 In the admin panel "SERVICE DETAILS"**
In the admin panel within Hospital Management, there's the "SERVICE DETAILS" option. Could you organize it a bit cleaner or better?
- ☐ **#25 Edit, add or modify functions**
Like Any Software Project In The Process maybe Could Add 1 Or 2 Functions if necessary Please NOTE THIS WHEN YOU QUOTE
